where the resources meet the needs

2019 Annual Report

A MESSAGE FROM OUR FOUNDER

Ebenezer! The Lord has helped us though another year! And as you will see in this report, not only has “He brought us thus far”, He has done a great work through the CMA ministries in 2019.

During the course of the year, we remained inspired to reach new frontiers, furthering the gospel in new remote areas and assisting communities with their greatest needs, putting your love gifts and resources you entrusted to us into action, and being “the bridge between the resources and the needs”.

It takes a “dynamic team of people”, all doing their part to achieve the goals and numbers laid out in this report. We are so thankful for CMA’s staff working tirelessly on the front-lines, our Board of Directors for their wisdom and guidance, CMA’s International staff and volunteers, our partners and supporters providing the means and the resources, all joining hands together and making a difference. We give thanks to our Almighty God, who has orchestrated and directed our course, bringing all of us together making all this possible.

May the Lord continue to establish the works of our hands for His purpose, and may all that we do be to the Glory of God.

Debra Kitchel

Never Beyond Hope

When all seems lost and the chips are down, we have a sure anchor in our never failing God. His lovingkindness lasts forever and He is our refuge when we run to Him. May He by His grace protect and sustain His own.

“May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope.”
—Romans 15:13

“God is at Work in our Communities”

“My people perish due to lack of knowledge.”—Hosea 4:4

We passionately are committed to training pastors who due to poverty have no access to education. Its heart-warming to see the impact these trainings have had to whole communities. The pastors eagerly put in to practice what they learn in the seminars, with great results. The churches become more vibrant due to better sermon delivery and Biblical content, the congregations grow in numbers from evangelistic efforts that involve all members, church structures are expanded to accommodate the larger numbers and members sacrificially give their tithes and offerings to fund these endeavors.

“The trainings have enabled us to preach the Gospel with power! We have addressed the spiritual needs of our people and we have witnessed people being set free from the shackles of sin and harmful traditions. Indeed, God is at work in our communities!” Pastor Samuel excitedly states confirming the positive impact of the CMA leadership trainings.

Your partnership and support has provided this much needed training for these dedicated servants of God. Thank you so much for giving them the leadership skills to better manage their churches and the knowledge to boldly share the gospel message within their own communities.
