

Christian Mission Aid
where the resources meet the needs

Annual Report 2024

CEO'S MESSAGE

There is a world in Africa that tourists never see. A world for the very reason that Christian Mission Aid was created; to serve and to show the love of God to a world where poverty, hunger and illness still exists and a world where many still have never heard about God's Salvation.

This is the world that Christian Mission Aid was created for! To meet the needs of this world's most vulnerable people by providing the essential *physical needs* such as food, clothing, medical care, education and shelter, and by ministering to their *spiritual needs* as well, offering hope of a much better life and a brighter future.

The scale of needs is immense, and it is only through the compassionate giving of our partners and supporters that our dedicated team of over 400 CMA staff can carry out this vital work. As you peruse this report and witness the lives touched in profound ways, remember it is through your generosity and support that all this was made possible. Thank you so much for caring and making a difference in the lives of so many people in Africa.

To God be the Glory.

Debra Kitchel

ChristianMissionAid

Christian Outreach:

through leadership training and equipped for effective ministry. Additionally, they receive Bibles and mobility tools such as bicycles and motorcycles to enhance their outreach effectiveness.

125 Pastors & Church leaders trained

Thousands of people were reached with the Gospel of Jesus Christ through the **Jesus Film ministry**

505 Bibles & **25** Audio Bibles and **1,200** 4-Spiritual Laws distributed to pastors & churches.

30 Pastors and **44** Government officials from the warring tribes of Pokot and Marakwet trained on Peace and Conflict Resolution.

Committees of Peace-makers from both tribes were formed for exerted efforts toward lasting peace.

19 Deaf Pastors Graduated & a new cohort of **23** more leaders started training.

Leadership Training for Deaf Pastors: Kenya's estimated 1.3 million deaf individuals often face marginalization, illiteracy and lack of access to the Gospel and essential information. CMA's Deaf Ministry addresses this by equipping and providing access to the Gospel and empowering deaf adults and youth with life skills.

20 Motorcycles and **18** bicycles provided to rural pastors to enhance their ministry.

Pastors from rural areas face major challenges, traveling long distances on foot in harsh terrain and under the hot sun. Addressing this need greatly enhances their ministries.

Children & Youth

employs dynamic programs to mentor and empower young people, demonstrating Christ's love and preparing them to be influential leaders of their generation. By providing opportunities to pursue their dreams, CMA instills hope for a brighter future in these children's lives, unlocking their untapped potential.

The Girls' Rescue Center:

60 girls presently residing at the Center

10 more girls were rescued this year

6 girls graduated from high school

22 girls getting a college education

The Center is a safe haven for girls rescued from FGM and forced-early marriage, providing them with their personal needs, counseling, medical care and an education. The Farm and the dairy provide balanced meals for the girls.

"God's Word Every Child" (GWEC)

157 teachers trained and equipped to teach Bible stories to children in a fun and exciting way

18,000 booklets distributed to students & children attending Sunday school

The SmartGirl/Boy Initiative:

Over **379** school girls were provided with self-confidence, reproductive and hygiene education and given sanitary kits

178 boys mentored on peer pressure, drug abuse, health/hygiene, and relationships, all based on Christian principles

Education Sponsorships:

107 students given the opportunity of an education in hope of a better future.

CMA, in partnership with SUNRAY Fund, offers education opportunities to South Sudanese refugee students who have fled their war-torn country.

Community Development

to use available resources for sustainable growth by meeting community needs and overcoming challenges through self-driven initiatives.

Ministry promotes a community-led strategy, empowering local leaders

Water filters are an effective solution for providing clean drinking water and reducing water-borne diseases in marginalized communities. CMA ensures successful implementation through training on filter use, hygiene & sanitation education. Over **3,100 water filter kits** were distributed to families in Maasailand and urban slums.

Adult Literacy Program:

6 new adult classes initiated this year, resulting in a total of **260 ADULTS** attending literacy classes.

So many Maasai women yearn for empowerment through education to become better at managing small businesses, read their Bibles and engage with their children's school work.

Widows ministry in Nyanza: CMA has reached out to hundreds of widows living with HIV, providing them with food, counseling, medical care and education for their children.

Ada and her family (pictured right) joyfully receiving food as part of CMA's ministry to widows.

School Desks Program:

CMA in partnership with Saruni International provided over **400** desks, **20** shelves and **10** tables to schools in Kajiado County. This provision has made students more comfortable and able to focus better on their studies.

Aid & relief:

CMA delivers rapid, life-saving assistance to families devastated by disasters in Kenya and Uganda. In war-torn South Sudan, CMA's impact is profound, delivering vital nutrition and medical interventions that directly combat the devastating consequences of conflict and instability, saving lives and building resilience within vulnerable communities.

Nutritious food reached **thousands** of struggling families in slums and hardship areas through CMA's life-saving emergency relief program.

19,729 Children under 5 years treated for malnutrition

27,911 Children vaccinated for protection against vaccine-preventable diseases

9,155 Pregnant and lactating women admitted and treated of malnutrition

12,391 Mothers received Ante-Natal Care services

3,109 Deliveries in Ayod health facilities assisted by skilled birth attendants

22 Health Facilities renovated, **9** Pit latrines constructed

42,270 Children received Vitamin A supplementation and de-worming.

21,222 mothers received nutrition education

143,601 People reached with Health Care Services

114 workers trained on community programs and management of common diseases

1,600 mosquito nets distributed
